*If your child attends a Hillingdon primary school, you must return the paper application form to the Hillingdon primary school by noon on 22 October 2010. If you apply online, this must be submitted by midnight on 31 October 2010.*
How to apply

The Pan-London Co-ordinated Admissions Scheme

As part of the co-ordinated admissions scheme, parents must list the schools that they want to apply for on one form, ranking them in order of preference. This form must then be returned to the council in which the child lives. All the councils taking part in the Pan-London Co-ordinated Admissions Scheme will then pass on details of applications for schools in other areas and co-ordinate the offer of places to make sure that nobody gets offered more than one school place. The decision on whether a place can be offered will continue to be made by the admission authority for each school listed. Where a school is over subscribed, its published admission criteria will be used to decide the order in which applicants will be offered places. All schools will consider themselves as a first preference. All offers will be sent out on the same day (see page 6). If you have made an online application, the offer made to your child will be available on the eadmissions website from 5pm on 1 March 2011 and you will receive an email confirming the offer (see page 2 for details of how to make an online application).

The following pages give you details of how to apply to schools both within and outside of the London Borough of Hillingdon. There are 18 state funded schools in the London Borough of Hillingdon. Two are Academies, which are funded by a direct grant from the Department for Education (DfE). Three are Voluntary Aided (Faith) schools, one is a community school and the others are Foundation schools. These schools are maintained and funded by the Local Authority.

All schools provide education between the ages of 11 and 18, in line with the National Curriculum. Detailed information is published by each school in its prospectus, which can be obtained from the school at the open evening (please see page 6 for open evening dates and pages 25 to 47 for brief details on each school).

Children normally transfer to secondary school in the September following their 11th birthday. So if your child was born between 1 September 1999 and 31 August 2000, he or she should transfer in September 2011.

You can apply online by visiting the website www.eadmissions.org.uk. Many parents will find this a more convenient method of application. You can find details of how to make an application online, as well as some of the benefits of doing so, on page 2 of this brochure.

On both the paper and online applications, you are invited to state up to 6 schools that you are interested in sending your child to including Selective (Grammar), Partially Selective schools and any schools outside of the London Borough of Hillingdon. You must put the schools in the order that you would most wish your child to attend. See page 6 for deadline dates.

The order of your preferences will not be disclosed to any school at the time of application. This is to ensure that your preferences are ranked only in accordance with how your application meets the published criteria and not according to the order of your preferences.

Any late applications, either paper or electronic, will only be considered after all those applications received on time. Please note that the Local Authority (LA) cannot be responsible for any delays in the postal system or problems encountered with internet providers, and it is your responsibility to ensure that the application is received on time.

Some schools require this additional information to be sent to the school direct and others, such as Local Authority schools require the information to be sent to the
Admissions Team. Please refer to each school’s prospectus and pages 25 to 47 to ensure you follow the correct procedure for each of your preference schools.

You must provide proof of address with your application in the form of:

- your Council Tax reference number – this will enable us to confirm that you reside at the address given on your application
- a copy of your Child Benefit Entitlement Notice. Please see page 11 for the Child Benefit Agency contact information if you do not have this document readily available. Please do not send originals as this document will not be returned to you it will be kept on your child’s admissions file.

If you apply online you will be given the opportunity to enter your Council Tax reference number and you will have the opportunity to attach a scanned copy of your Child Benefit Entitlement Notice if you wish to. You will not need to send this via the post if you choose this option.

The name of your child and your name and address for both of these, must match the information on your application form. We reserve the right to request further documentation if there is a question concerning the validity of the address.

If you need help in filling in the paper application, call 01895 556644. For help and information on completing an online application, please visit the website www.eadmissions.org.uk, refer to page 2, or call 01895 556644. Or contact the School Transfer Adviser (see page 21 for contact information).

Only complete one application. If you have submitted an online application, you do not need to complete a paper application. We will accept the latest application submitted up to the closing date.

You must apply for a school place, even if you have a child already attending a school.

The Local Authority does not assist with fees for independent schools. If you wish to apply for a place at an independent school, you should apply direct to the school of your choice.

If you reside outside of the London Borough of Hillingdon you must contact that authority for details of their procedures and to obtain an application form.

For information about schools in other boroughs or counties, you will need to contact each individual borough or county (see back cover).

Please note: the Admissions Team will access your Council Tax records towards validating your address. If you object to this access you must state this in writing. You must provide proof of address documentation in the form of a copy of your current Council Tax Schedule, which must correspond to the address on your application form.
Where is your child most likely to get a place in a secondary school?

You need to ask yourself these questions for each of the schools you plan to list on your application form. You have a better chance of getting a place at the school whose criteria you meet best.

Start

- Does your child have a sibling living at the same address who will still be attending the school at the beginning of the term in which this child starts full time education?
  - Yes: Please fill in the appropriate section of the application form. Your child is likely to gain a place at the school under the sibling criteria. Although it is not guaranteed at a Faith, Partially Selective, or Selective school.
  - No: Please fill in the appropriate section of the application form. Your child is likely to gain a place at the school under the sibling criteria. Although it is not guaranteed at a Faith, Partially Selective, or Selective school.

- Does your child or an immediate member of the family have a medical or psychological condition?
  - Yes: Please fill in the appropriate section of the application form. Please note: some schools do not have medical as a criterion. Please refer to each school’s prospectus and pages 25 to 47 for more information.
  - No: Application NOT allowed under a medical criterion or the school(s) does not have medical as a criterion.

- Are you applying for your nearest school (other than Voluntary Aided or Partially Selective)?
  - Yes: You are more likely to be successful in gaining a place at your nearest school.
  - No: As distance from home to school is a main criterion for Hillingdon non religious and Partially Selective schools, it is important that you apply to schools close to your home address as well as to schools further afield.

- Application NOT allowed under a medical criterion or the school(s) does not have medical as a criterion.

Important notes

Voluntary Aided schools will consider your application in accordance with their own published criteria where the main criteria is based on the commitment of faith.

Selective and Partially Selective schools will consider your application in accordance with their own published criteria where the main criteria are based on test scores.

If you wish to apply for a Voluntary Aided, Selective or Partially Selective school school, you must include it on your application form and complete any additional form required, which will be available from each school.
Completing the form

- You can apply either on paper or online and state up to 6 schools, including Selective, Partially Selective schools and any other schools outside of the London Borough of Hillingdon, in the order that you would most like your child to go to.

Frequently asked questions

Please see below for answers to frequently asked questions, which may help you in making your application.

What if I want a place at a school outside Hillingdon?
You can apply to schools in other authority areas by including the school(s) on your application. Remember to include the DfE number obtainable from the school or the Local Authority (LA) the school is in. Other boroughs cannot give priority to their residents, and places are offered on the basis of their published admission criteria.

Schools in other LAs may require additional or supplementary information regarding your application, and you will need to contact them direct for their procedure. Telephone numbers of neighbouring authorities can be found on the back cover of this booklet.

What if I live outside Hillingdon?
You must apply through your own LA, this is the authority that you pay your Council Tax to. Please see the back cover of this brochure for contact details of neighbouring authorities.

Will my child have an interview?
Schools or admission authorities must not interview parents or pupils as any part of the application or admission process.

Can I put just one school on the application?
It is advisable that you state more than one school - although you do not have to choose the maximum number. These must be in the order that you would prefer your child to attend. Some parents only consider other schools after the offers have been made and are surprised that they are then unable to obtain a place at their nearest school, which has been filled with applications received by the closing date.

Will the schools know what order I have put them on the application?
The order of your preferences will not be disclosed to any school at the time of application. This is to ensure that your preferences are ranked only in accordance with how your application meets the published criteria and not according to the order of your preferences. Each school you state as a preference will be treated equally (ie each school will consider themselves as a first preference), however, the order of your preferences will enable the authority to make an offer of one school place at the highest preference school where you meet their criteria. This will help to avoid any duplication and ensure that every child is offered a school place on the prescribed day.

Can I apply for an independent (private/fee paying) school?
There are a few independent schools in the authority and you must contact them direct. Further details can be found on the website www.isc.co.uk, or alternatively you may ring the Independent Schools Council (ISC) on 0845 724 6657.

Can I use an address other than my own to make an application?
No, you must give your child’s home address. This must be where parent and child are living at the closing date for applications. If parents live separately, but the child lives equally with both, this will be taken as the address of the parent who is in receipt of Child Benefit, or for those not eligible for this benefit, the address registered with the doctor.

Important: in previous years Admissions Authorities have withdrawn a large number of applications due to a false address being given. The School Admission Code states that a fraudulent or an intentionally misleading
application from a parent for example, a false claim of residence, which effectively denied a place to another child can be withdrawn by the Admissions Authority.

You must provide proof of address with your application in the form of:

- Your Council Tax reference number – this will enable us to confirm that you reside at the address given on your application.
- A copy of your Child Benefit Entitlement Notice. Please see page 11 for the Child Benefit Agency contact information if you do not have this document readily available. Please do not send originals as this document will not be returned to you it will be kept on your child’s admissions file.

If you apply online you will be given the opportunity to enter your Council Tax reference number and you will have the opportunity to attach a scanned copy of your Child Benefit Entitlement Notice if you wish to. You will not need to send this via the post if you choose this option.

The name of your child and your name and address for both of these, must match the information on your application form. We reserve the right to request further documentation if there is a question concerning the validity of the address.

What is a sibling?

Each school will define this in more detail in their prospectus. Generally, a sibling means a child’s brother or sister, stepbrother or stepsister with one parent in common, and/or an adopted brother or sister. Cousins or other family members, even if living in the same household, do not qualify as a sibling. Please note: you should not be asked to supply a copy of full birth certificates under any circumstances - the shortened version is sufficient.

How are decisions made about places?

In the case of Foundation, Voluntary Aided (Faith) schools, Selective, Partially Selective schools and Academies, the LA will forward your details to each of your preferred schools using a computerised system (as explained on page 7). Where a school is oversubscribed, its published admissions criteria will be used to decide the order in which applicants will be offered places. In the case of Local Authority schools, the LA will apply the criteria. The LA will co-ordinate the results for all schools and a place will be offered at the highest possible preference. In Hillingdon, one of the main criterion for admissions is the distance from home to school.

Please note that the last dated form submitted and received by the Admissions Team by the closing date, either online or paper, will be the one processed.

What if I apply to a school some distance away?

As distance from home to school is a main criterion for non-religious and non-Partially Selective schools, it is important that you apply to schools close to your home address, as well as others further afield.

If you move from another authority, you must inform that authority of your change of address and they will contact Hillingdon on your behalf.

How do I decide which is the best school for my child?

- Speak to other parents who already have a child at the school.
- Have you read the OFSTED Inspection Report? You can ask the school for sight of the report or alternatively details can be found on the website www.ofsted.gov.uk.
- Attend the schools’ open evenings and obtain a prospectus, which will tell you all about the school.
• Look at schools’ exam results, which will be published in their prospectus, or telephone the Secondary Exams Information Line on 0800 242322 or visit www.dcsf.gov.uk/performanceTables

Will I definitely be offered one of my named preference schools?

Where possible, one of the schools named on your application will be offered. If it is not possible to offer one of these schools for your child, you will be offered the school closest to your home with a place available. (If you have applied for schools near your home, this is unlikely to happen).

What additional information will schools require?

All parents who list their preferred school on the Local Authority’s common application form are regarded as having made valid applications. An additional or supplementary form may also have to be completed for Hillingdon schools as follows.

**Bishop Ramsey Church of England School**  
**The Douay Martyrs Catholic School**  
**Guru Nanak Sikh Secondary School**  
These are Voluntary Aided (Faith) schools that require a supplementary form to be completed in order for your child to be considered under their faith criterion.

**The Harefield Academy**  
This is a sporting Academy that requires a supplementary form to be completed if you wish your child’s sporting abilities to be considered.

**Stockley Academy**  
This Academy uses a banding system to admit students and requires a supplementary form to be completed in order for your child to sit their Non Verbal Reasoning Test (NVRT).

For the Hillingdon schools named above, please also refer to each school’s prospectus. Also in pages 25 to 47 of this brochure is the list of additional information required along with a summary of the admissions criteria is clearly stated.

This information must be forwarded to the schools concerned and not attached to a paper application. The paper application form you return to your child’s primary school will not be considered under the relevant criteria unless you have returned the additional information to the school concerned. If you are making an online application, you must ensure that you obtain an additional information or supplementary form direct from each school you list as a preference.

**Selective (Grammar) schools**  
These schools will require you to have completed a form to enable your child to take the 11+ test.

You should contact the Local Authority that the Selective school is in to obtain information about their open evenings and test dates. Please note there are no Grammar schools in Hillingdon.

I think my child or a member of the immediate family has a medical condition.

If you would like your preferred schools to take any exceptional circumstances into consideration and it is one of their criterion, then the appropriate box on the paper application form should be ticked. If you are making an online application, ensure that you indicate this where appropriate. Evidence relating to the medical information may be required at the time of application as additional information. Please refer to each school’s prospectus and pages...
25 to 47 for details of where to send any additional information. If you wish to apply to schools outside of the London Borough of Hillingdon, you must find out the procedure for additional information from that authority. Please note: some schools do not have medical as a criterion - please refer to each school’s prospectus and pages 25 to 47 for more information.

I think I have religious or philosophical reasons for my preferences.

Any evidence you wish to submit is required at the time of application. Please refer to each school’s prospectus and pages 25 to 47 for details of where to send any additional information. If you are making an online application, ensure that you include this where appropriate.

Will I get my first preference?

For September 2010, approximately 70.5% of children were offered places at their first preference school. It is important to name more than one preference on the application form.

When will I hear about my application?

Letters will be posted on the prescribed day (please see inside cover for important dates) giving the result of the application. If you have made an online application, this information will be available to you from 5pm on 1 March 2011 – you will need to supply your unique reference number to access this information.

What should I do when I have an offer?

You must accept the place within 14 days. If you have submitted an online application, you must either accept the offer online or return the tear-off slip from the letter you will be sent. Failure to do this may result in the place being withdrawn. Remember, if you are not offered your first preference, your child’s name will remain on the waiting lists for any schools that were a higher preference. Please note: If you receive an offer from a higher preference school at a later stage, you may also be required to provide this school with proof of address documentation so only send copies of documentation at all times.

What if I am not satisfied with the school offered?

You should accept the place offered to ensure that your child has a place reserved for September 2011 and your child’s name will be held on the waiting lists for your higher preference schools.

You have the right of appeal and full information can be obtained as follows.

- Foundation, Voluntary Aided schools and Academies – please contact the schools direct. Please see pages 49 to 51 for contact details.
- Local Authority schools – please call the Hillingdon Contact Centre on 01895 556644.
- Schools outside the London Borough of Hillingdon – you must contact the Admissions Authority that the school is in for full details and procedures, as this may vary from authority to authority (see back cover for contact details).

Appeals documentation must be requested by Friday 25 March 2011 to ensure that the appeal is heard before the end of term.

If you wish to re-apply for a school that was a lower preference than the one offered, please call 01895 556644 to obtain a late application form.
How do waiting lists work for on-time applications?

Your child’s name will be held on the waiting list for any school that is a higher preference than the school offered.

If your child’s name has been included on a waiting list, you will be contacted immediately if/when a vacancy arises.

- London Borough of Hillingdon LA schools - the Local Authority will maintain waiting lists for all LA schools.
- London Borough of Hillingdon schools other than LA schools - each individual school will hold the waiting lists and you will be able to obtain details directly from them. Waiting lists should be maintained in accordance with the schools’ published admission criteria.
- Schools outside of the London Borough of Hillingdon - you must contact the Admissions Authority that the school is in for full details and procedures, as this may vary from authority to authority (see back cover for contact details).

Please note: After the prescribed offer date, any late applications received that have a higher priority under the school’s individual published admissions criteria will supersede your child on that waiting list. This is in accordance with paragraph 3.19 of School Admissions Code.

What if my application is late?

After the prescribed offer date, applications will not be considered until those applications that were received on time have been processed - whether they are paper or electronic. This may mean that you will not get a place at your preferred school(s), as the places will have been allocated to other children whose applications were received on time. Please ring 01895 556644 for more information.

What happens if I move house?

If you move within Hillingdon prior to the offer day, you must contact the Admissions Team to tell them your new address. It may be possible to use your new address to process your application if:

a. you are resident in your new property within 6 weeks of the deadline date and can provide evidence to confirm this

b. you have exchanged contracts on the purchase of your new property within 6 weeks of the deadline date and can provide evidence to confirm this. Please note: This decision will be made by the individual admission authorities and may vary from school to school. The Local Authority are the admission authority for all LA schools.

What if my child has special educational needs?

Most children’s special educational needs will have been identified at primary school. However, if you think your child may have special educational needs please discuss this with your child’s Form Tutor, Special Needs Co-ordinator (SENCO) or Head of Year.

Most special educational needs can be met by the class or subject teacher who can adapt the way the curriculum is taught for individual pupils.
Occasionally a pupil may have extreme difficulties that require more help than is usually available from the school’s own resources. The school and the local education authority have a legal duty to identify and meet these needs, so an assessment may be necessary to help everyone decide what is best for your child. Wherever possible, any extra help will be given in the mainstream school.

**Pupils with statements of special educational needs (SEN)**

If your child has a statement of Special Educational Needs, it is subject to an Annual Review. This enables the LA to monitor your child’s progress and to ensure that the provision remains appropriate. In addition, when your child approaches the age of transfer to secondary school a suitable placement is discussed at the annual review and you have the opportunity to express which secondary school you would like your child to attend.

Therefore, a pupil with a statement of special educational needs does not follow the usual secondary admissions procedures. If you wish your child to attend a mainstream secondary school from September 2011, you should fill in and return the application form you receive from your child’s primary school. This is to ensure accurate information is recorded. However, the SEN Team deals with the process for pupils with statements by contacting you directly and consulting with your preferred school, in accordance with the requirements of the SEN Code of Practice, 2001. The SEN Team will issue an amended statement naming the new school by no later than 15 February 2011. You will also receive a letter from the Admissions Team confirming placement at the same time as all other pupils moving to secondary school in September 2011.

The SEN Team also deals with the process for all pupils already attending a special school, or who are moving to a special school from September 2011. All such pupils will have undergone a statutory assessment of the SEN and be the subject of a proposed or final Statement of Special Educational Needs.

To find out more information on this procedure and your child’s secondary school place, please contact the Special Needs Team in Education Services on 01895 250244 or 250466.

**In-Year admissions**

From September 2010, all boroughs will co-ordinate admission to their own schools in much the same way that secondary allocation is administered. All applicants will need to complete their home Local Authority’s in-year application form, the home Local Authority is where the Council Tax is paid.

Applicants will have the opportunity to name up to 4 schools including LA, Foundation, Faith and Selective schools, Academies and schools that are in other authorities.

All the authorities taking part in the In-Year Co-ordinated Admissions Scheme will then pass on details of applications for schools in other areas and coordinate the offer of places to make sure that nobody gets offered more than one school place. The decision on whether a place can be offered will continue to be made by the Governing Body of the admission authority for each Academy, Foundation, Voluntary Aided (VA) or Selective school. Please note the Local Authority is the admission authority for all community schools. Where a school has more applications than places, its published admission criteria will be used to decide the order in which applicants will be offered. All schools will consider themselves as a first preference.

All offers will be sent from the home Local Authority regardless of which Authority the school is in.
Sixth Form

Each Hillingdon secondary school has a Post 16 Centre (sixth form). If you have a child eligible to apply for Post 16 education or you would like information about open evenings and admission procedures you should contact each school direct. See pages 49 to 51 for contact details. If you would like information on Post 16 education in other Authorities you should contact each Authority direct for information. See back cover for contact information.

School attendance

Attending school regularly is vitally important for pupils. Without it the best efforts of teachers and schools come to nothing. Pupils need to attend regularly to take full advantage of all the educational opportunities open to them. If they do not, their education suffers and their behaviour may deteriorate. Repeated unauthorised absence could lead to prosecution, which may result in a £2,500 fine for each parent or three months imprisonment together with parenting or community orders or a £50 fixed penalty notice to be served.

Parents should contact the school immediately if a child is too ill to attend, followed by a note when the child returns to school. Parents may not authorise absence, only schools can do this after they are satisfied that the explanation given for absence is appropriate.

The law requires parents to make sure their children go to school on time. If a parent has any problems regarding attendance or lateness the Education Welfare Service can be contacted in office hours on telephone 01895 250858 or email educationwelfareservice@hillingdon.gov.uk

Family holidays during term time

It is important that pupils attend school for as many days as possible each term. Family holidays must be taken during school holidays. You should not expect the school to agree to a holiday during term time. You will find that schools will only authorise holidays in term time in extenuating circumstances and will also take into account your child’s attendance record for the past two years. If you still take your child on holiday, the absence will be recognised as unauthorised and may result in the Local Authority issuing you with a Fixed Penalty Notice (FPN) or prosecuting.

Can I choose to educate my child at home - elective home education?

All parents have the right to educate their own child at home. However, there is no assistance from the Local Authority. You may choose to educate your child at home and you should inform the education department in writing. However, the LA still has a duty to ensure appropriate provision is made in these circumstances. Full details of your arrangements will be requested and monitoring visits will be made. Further information is available from www.parentscentre.gov.uk

Removal from the school roll by the school

Your child can be removed from the school roll by the school for various reasons; but the main ones are:

- a. You move away or cannot be contacted
- b. You take an extended holiday and do not return when expected
- c. Your child is permanently excluded

School exclusion

Your child could be excluded from school on either a temporary (fixed term) or permanent basis. Children cannot be asked to remain out of school without an exclusion.

Parents can contact an Education Welfare Officer on Duty Line 01895 250858 for advice or email educationwelfareservice@hillingdon.gov.uk
Fair access protocol

Hillingdon operate a Fair Access Inclusion Protocol for pupils who have been permanently excluded from school and pupils who move into or within Hillingdon who have challenging behaviour. This process is only administered when the normal process of admission has failed and the child is classed as Hard to Place. Applications cannot be made by parents directly to schools. Pupils are referred via the Fair Access Inclusion panels. For further information, a copy of the full protocol is available at www.hillingdon.gov.uk

**Home to School Transport Policy for School Admissions**

London introduced free travel on all London buses. As from September 2006, there is free travel for pupils up to the age of 18. No new applicants since that time have been awarded any assistance toward travel.

Our Transport Policy changed in September 2004. Any parent choosing a school more than 3 miles away from their home regardless of whether it is a religious or grammar school is unlikely to qualify for assistance. If you already have a child in receipt of assistance then any future siblings will not qualify.

Please note: If a child does not have an existing Oyster card you must apply for one at least a month prior to their 16th birthday so they can travel free on the buses to the end of that school year. Every child who needs to purchase travel now has to have an Oyster card, you can obtain an application form from your local post office.

If you have not already been given information on Oyster cards and how to make an application, or you require further assistance, please see the back cover for Transport for London contact details.

From September 2008 if a child from a low income family attends a school over 2 miles but under 15 miles from home he/she may be eligible for travel assistance if their parents have expressed a wish for them to be educated at a school which is based on the parent’s religion or belief and there is no nearer suitable school.

Low income is defined as those in receipt of a maximum working tax credit or free school meals.

The type of travel assistance provided will be at the discretion of London Borough of Hillingdon. To obtain the complete Home to School Transport Policy, write to 4E/05 Civic Centre, High Street, Uxbridge, Middlesex UB8 1UW, visit www.hillingdon.gov.uk (search for ‘Home to School Transport Team’) or call 01895 250008.

**Student progress reports**

Parents of pupils at secondary schools will receive a written report by 31 July each academic year. These will include comments on your child’s general progress, achievements in every National Curriculum core and Foundation subject studied and a summary of attendance during that year.
At the end of each key stage (years 9 and 11) you will also receive:

- details of your child’s assessed level of attainment
- information comparing the levels of attainment of other pupils in the school at the same stage.

Each school’s governing body must publish a school profile online each year. These can be viewed at www.schoolsfinder.direct.gov.uk

**Religious Education**

The LA is advised upon matters of Religious Education and Collective Worship by a Standing Advisory Council (SACRE) which includes representatives from local faith groups. Religious education will cover Christianity (or the religion specified by its trust deed) and the other principal religious traditions of Great Britain. Its aims are to teach children about religion and to enable them to learn from religion. Parents may exercise their legal right to withdraw their children from Religious Education and/or Collective Worship. In this case they should consult the headteacher of the school. Should parents seek further help, they can contact Gill Brace on 01895 250457.

**Complaints procedure**

Most complaints are best dealt with by talking through the issue with the people concerned. The following procedure is intended to cover general complaints.

Parents should initially bring their complaint to the attention of the teacher/Headteacher who will investigate the complaint quickly, fairly and efficiently. If parents are not satisfied with the outcome they may make a formal complaint to the Chair of Governors of the school, who will if necessary hold a special meeting to consider the complaint.

Complaints about the curriculum (what is taught) must be dealt with by the Headteacher/governing body. If these routes have been exhausted then the complaint can go to the LA and, ultimately, to Ofsted.

Parents who would like advice on complaints procedures should telephone 01895 556305/556283 or visit the website www.hillingdon.gov.uk or email complaints-education@hillingdon.gov.uk.

Secondary schools in Hillingdon

The following pages give a summary of each school’s Admissions Policy.

The governors of Voluntary Aided (Faith) school, Foundation schools and Academies are responsible for determining their admissions arrangements. Although the Local Authority co-ordinates the offer of places on behalf of these schools, their own published criteria is considered in determining the priority for places. When there are more applications than places, children are admitted according to these criteria.

Please refer to the bottom of each individual school’s page to see whether or not they require any additional information, e.g. faith or medical information.

You will be able to obtain each school’s prospectus, which will contain full details of any additional information required by schools, by attending the school’s open evening or by contacting the school(s) direct.

We strongly recommend that you submit your application online or by post, so that we receive it by Friday 22 October 2010. This is the Friday before the half-term holiday.

Applications received by 31 October 2010 will be accepted, but if your application is received by Friday 22 October 2010, we can ensure that it is checked, acknowledged and processed in good time.

Parents/carers who prefer to hand in the form at their child’s primary school, will need to ensure that they do this by Friday 22 October 2010, so that the school can forward it to us before the half-term holiday.

Contact details for all schools can be found on pages 49–51

Other useful and statistical information for each school can be found on page 48

For information on schools outside of Hillingdon, please contact the Local Authority that the school is in. Contact details of neighbouring Local Authorities can be found on the back cover of this brochure.

Important notes

- Where Bishop Ramsey School is named in a child’s statement of Special Educational Needs, the school has a duty to admit the child as directed by the Local Authority. It is not necessary to complete a Supplementary Information Form if your child has a statement of Special Educational Needs.

- The definition of ‘A Looked after Child’ is a child placed with someone other than their parents after the intervention of the social services.

- A sibling is defined as; all blood, half, step, adoptive and foster children who live at the same address as the child already attending the school and will be attending the school at the time of admission. Please note that the qualifying relationship is sibling, other extended family relationships do not qualify. The Governors reserve the right to seek documentary evidence to verify the existence of a valid qualifying relationship.

- Priority within categories 2, 3, 6 and 7 as appropriate, will be given in the following order:
  - Firstly to children whose parents attend an Anglican Church or Chapel who also live or worship in the Anglican Deanery of Hillingdon.
  - Secondly to children whose parents attend an Anglican Church or Chapel who also live or worship in the Anglican Deaneries of Harrow or Brent.
  - Where two children meet the same criteria, distance from the school will be the deciding factor. Distance will be measured in a straight line from the School Office (co-ordinates 510374, 187841) to their permanent home as described in the Admissions Procedure, point 6.3.1.

7. Any other applicants.

Where the offer of places to all the applicants in any of the categories listed above would lead to oversubscription the following provision will be applied:

Notes

1. Siblings will have priority within each category. The definition of a sibling is brother or sister attending the school in years 7–13. To qualify as a sibling the Admissions Committee needs there to be a reasonable expectation that the student currently on roll at the school will still be attending the school at the time of admission of the sibling. Reasonable expectation would exist in year groups 7–10 and in 12 where a student was on the first year of a two year course. In Year 11 expectation could only exist if entry to The Douay Martyrs Sixth Form seemed likely and in Year 13 if the student was on the first year of a two year course. Parents need to declare the sibling link at time of application. The definition of sibling includes a natural, half brother and sister, step-brother or sister and children adopted into the family.

2. The governing body will increase the priority of an application within a category where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can be most appropriately be met at this school. To demonstrate this the governing body will require written evidence from an appropriate professional, such as a social worker, doctor or priest.
Tie break

Within each category, if there are more applications than places available, the distance from the school will be used as a tie breaker.

For the purpose of this policy, children living nearest to the school, measured in a straight line from the point set by Ordnance Survey at the child’s home address (including flats) to a fixed point in the school set by Ordnance Survey (co-ordinates 507925, 185611) using the computerised Geographical Information System (GIS). The home address is defined as where the applicant lives for a least 50% of the week.

Additional information required, which must be sent to the school by Friday 22 October 2010

Priority order is ‘Outstanding’ applications with siblings, ‘Outstanding’ applications with no siblings, followed by ‘Good’ applications with siblings, and finally ‘Good’ applications without siblings.
3. Other Faith. Up to 30 places will be allocated to children living with parents/legal guardians/carers at least one of whom attends worship at least monthly in the tradition of any faith other than Sikh. The qualifying relationship is brother or sister; this means children sharing one or both common parents, step brother or step sister, or legally adopted children, who live in the same household. Other extended family relationships (e.g. brother-cousin or sister-cousin) DO NOT qualify for sibling consideration.

For parents/ legal guardians/carers who do not submit a Religious Questionnaire in respect of their child’s place, the application will only be considered under criteria 4.

To apply for a place at our school parents/legal guardians/carers have to complete the Common Application Form from their ‘home’ Local Authority naming our school (returnable to the LA) and a Religious Questionnaire. There are two parts to the application process.

The Self Evaluation Questionnaire (RQ) is obtainable from the School Office but returnable to the Nanaksar Thath Isher Darbar Trust, 1 Mander Street, Wolverhampton, WV3 0JU by noon Friday 12 November 2010.
