Selecting preferences

You are allowed to put up to 6 preferences on your child's application. We would recommend using your first few preferences to list your favourite schools, using your last few preferences to list schools that are close to your address.

We would suggest looking on the Hillingdon School Admissions website and viewing previous years allocation data as this may give you an idea of the likelihood of your child being offered a place at the school.

Please be mindful that your child being in a school nursery does not guarantee a place in their reception, it also does not give you priority to be allocated a place. You will still need to add this to your application and be allocated through the schools criteria.

How places are allocated

If you wish to put a school on your child's application then you should ensure you have read the schools admissions arrangements so you are aware of how places will be allocated at the school.

For example the majority of schools in Hillingdon will prioritise applications in the following criteria:

1. Children Looked After/Previously Looked After (CLA)
2. Siblings
3. Children of School Staff
4. Distance from home to school

You will be able to find the full admissions arrangements for each school on their schools website.
